Boy's Stormtrooper Costume:

Your son may be a little short for a stormtrooper, but with the Star Wars Episode 7 Boys Deluxe Stormtrooper Costume, he can be one anyway! He'll be ready to follow Kylo Ren or Captain Phasma into battle this Halloween wearing this George Lucas-approved costume. Whether your son goes over to the Rebel forces like Finn, or stays loyal to Supreme Commander Snoke, the padded foam torso will give him the muscles to win any fight. He will also receive the iconic Stormtrooper mask and weapon belt, which are the cutting edge in First Order technology! Take trick-or-treating by storm this year with our boys Stormtrooper costume—it's perfect for any Star Wars fan in the galaxy!

King Crown for Adults:

You'll rule this Halloween with our King Crown for Adults! Whether you're pulling a sword from a stone, sitting the Iron Throne, or going on a crusade, this crown is a must have for any king. The crown is decorated with red jewels that will dazzle your court, with a gold background that will strike envy into your rival rulers. While most crowns are heavy, this one is made of lightweight materials that will allow your kingly neck muscles to party all night without strain. This crown is your birthright, my liege—rule wisely.

Lab Partner Faux Fur Mask:

Experiment with a new look this Halloween by trying out our Lab Partner Faux Fur Mask! A white rat's nose, fur, and teeth are combined with a human facial structure to create an abomination of a costume piece. The teeth are bared in a snarl to show that this unholy monster is not happy about having been created. Will you hunt down your creator to take revenge for burdening you with such a monstrous existence, or will you humbly serve him, knowing you would never be accepted in the outside world? Team up with a few other animals and a mad scientist for a group costume—we'll leave you to imagine the details!
